Website building: styling

Styling - Star - Position to the left

_____

The following exercise contains the following subjects:
  o   HTML

Question

Having the following html:

```
<body>
        <div id="box1">Hi, I'm box 1!</div>
        <div id="box2">Hi, that one is box 1!</div>
</body>
```

And css:

```
div {
   width:100px;
   height:100px;
   border:3px solid #444;
   padding:4px;
}

#box1 {
   background: red;
}

#box2 {
   background: green;
}
```

Make sure the two divs are side by side on the left hand side of the page (there is more than one way to do this).
