Front end development: basics

Basic JS - Star - Special for loop

_____

The following exercise contains the following subjects:
- o   Javascript

Question

Run the code in your head and try to figure out what's the value of X.
After that, run the code in the console and see if you're right.

What will be the value of x after the code runs?

```
for(var x = 3; x < 12; x++){
        x = x + 3;
}
console.log("x = " + x);
```
